WEBSITE HIGHLIGHT

The Secular Traditions

The Twelve Traditions are to the health of Twelve-Step groups what the Steps are to an individual's recovery. They outline the purposes, functions, and conventions that make groups welcoming and safe for all members. COMMUNITY RESOURCES

Here are some resources that were shared by community members. If you have a resource to share, send it to secularovereaters@gmail.com. You can find resources from past newsletters on the [Community Resources webpage](#).

[One Breath at a Time: Buddhism and the Twelve Steps](#)

This book, by Kevin Griffin, leads readers through seeking knowledge of oneself and acceptance using secular Buddhist philosophy as it explores the Twelve-Step framework. Many great meditations are included. The book is written from a secular point of view. Recommended by Brandi W.
